

Resolution of the Board of Directors Santa Barbara County Air Pollution Control District

Whereas, the Santa Barbara County Air Pollution Control District founded the

Santa Barbara Car Free Project

in 1998 to reduce pollution from visitors' cars, and the Project would not be successful without the voluntary contributions of more than 100 community partners; and

Whereas, the District was honored for the Santa Barbara Car Free Project on May 26, 2010, in Washington, DC, with a 2009 national Clean Air Excellence Award in the "Community Action Category" by the U.S. Environmental Protection Agency (EPA) and the Clean Air Act Advisory Committee; and

Whereas, "Innovation and commitment are the keys to environmental progress, and our Clean Air Excellence Award winners are tremendous examples. As we look to the future, these winners will help lead the way toward cleaner air and a healthier environment," according to Gina McCarthy, EPA Assistant Administrator for Air and Radiation; and

Whereas, Santa Barbara Car Free Project Partners exhibit tremendous support of the mission of clean air excellence with contributions of time, energy, enthusiasm, intelligence, and creativity to this eco-tourism program.

Now, Therefore, it is hereby resolved, that

This District Board expresses its appreciation to Santa Barbara Car Free Project Partners for their multiple contributions to the Project, and for working together for cleaner air, a healthier planet and a more sustainable community.

Passed and Adopted by unanimous vote of the District Board of Directors present on June 17, 2010.
